

 GOLDOPTIMA

Collection «Denmark»

CHAIR STOCKHOLM

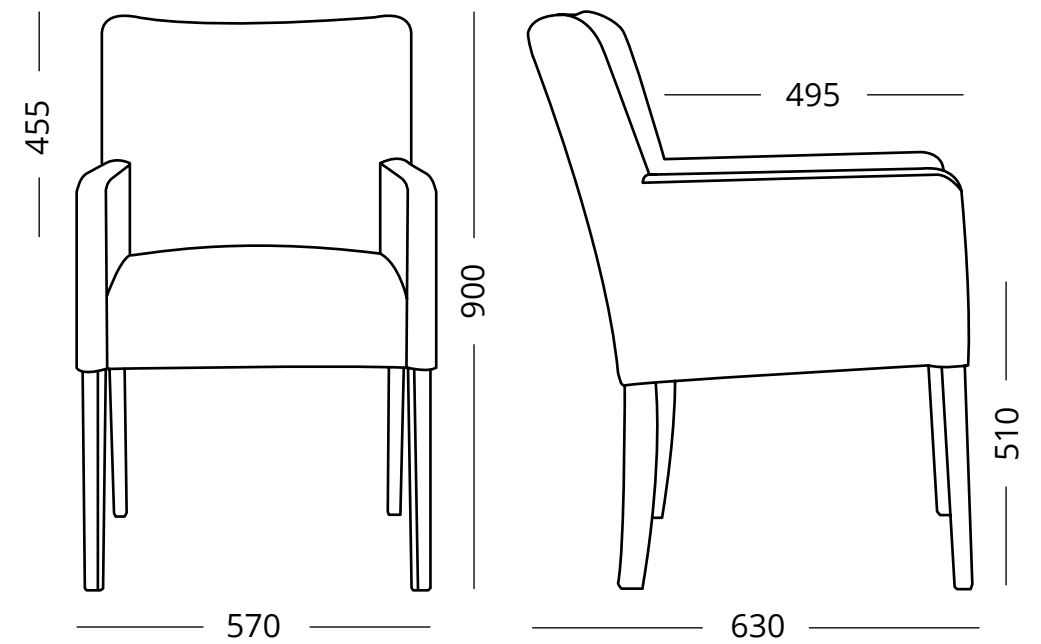

Chair «Stockholm» is made in a minimalist European design. Strict rectangular shapes without decorative frills give this model versatility. The main highlight of the Stockholm chair are the legs made of solid oak.

ARMCHAIR STOCKHOLM

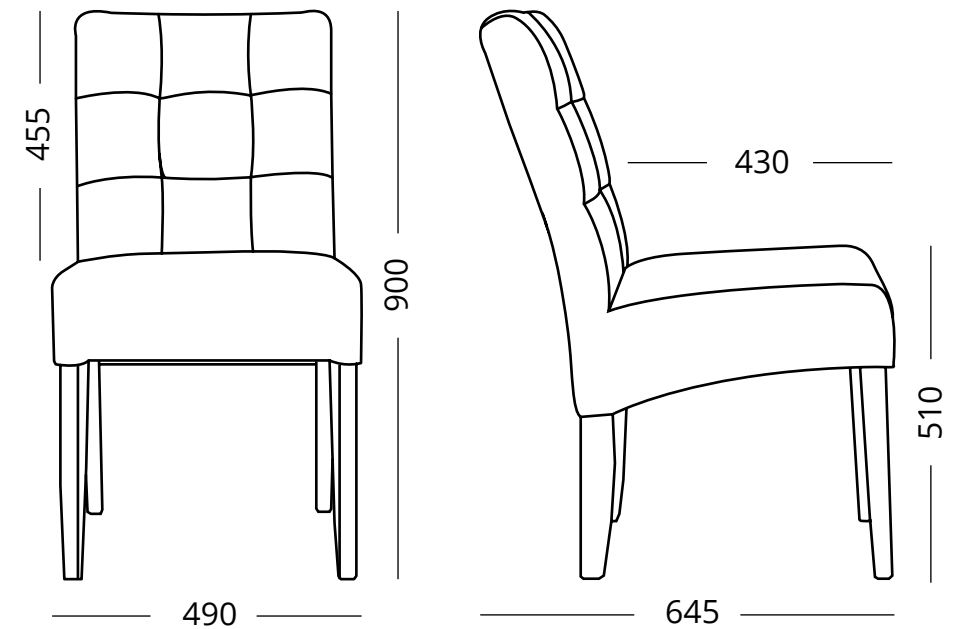

The compact armchair «Stockholm» is simply created for a comfortable relaxation. Ergonomic design with comfortable armrests has straight lines and a discreet Danish design. Armchair «Stockholm» is ideal for interiors of houses, offices and other public institutions.

CHAIR BERGEN

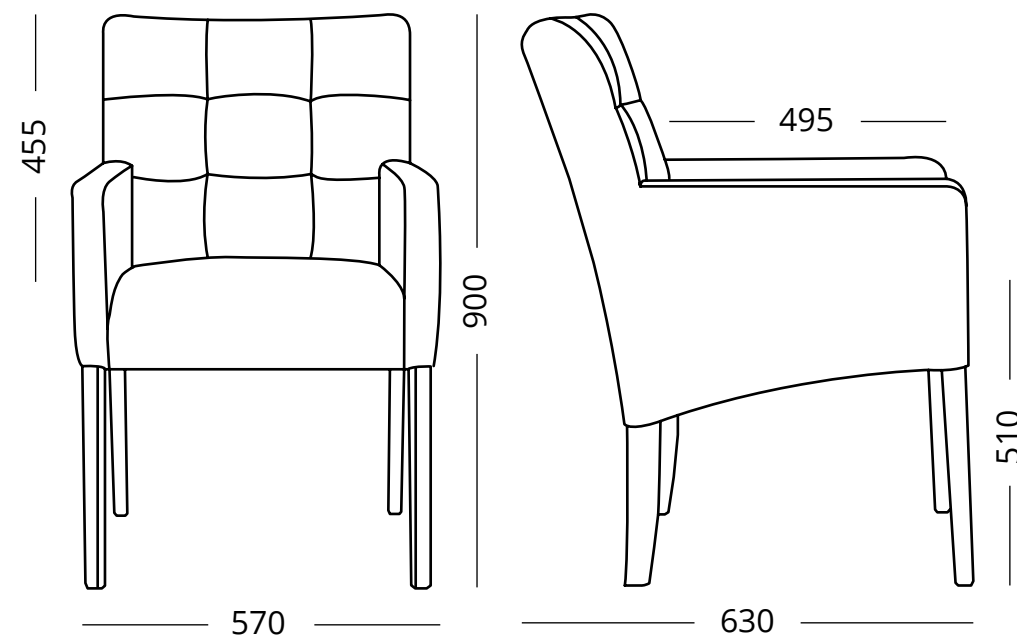

Chair «Bergen» is a bright representative of the classic Danish design. A distinctive feature of this model is the tightening on the back and the slight bending of the side of the chair, which favorably emphasizes its uniqueness. This comfortable and stylish chair is ideal for the office, cafe and home decor.

ARMCHAIR BERGEN

Ergonomic design, soft back, deep seat, armrests of the correct shape of this armchair allows you to sit with maximum comfort. A distinctive feature of this model is the elegant curvature of the side of the armchair, light tightening on the back and solid solid oak legs.
